It is a new quality construction only 850m from the sea and 950m from the city center.

The building, which will have 8 apartments, will be equipped with high-quality materials.
All apartments will be equipped with premium Italian LEA Nextone Ceramiche ceramics and oak parquet, Country class.

Catalano Italy 52 toilet bowls with soft close system, Inda Village sink with Paffoni Light basin mixer, Paffoni Light shower mixer with rain effect and handle and Novellini Kali 2P shower door are installed.

The windows and panoramic glazed walls will be made of high-quality PVC/ALU profiles, glazed with double IZO glass, with aluminum shutters with electric motor drive.

Garages and parking spaces will have a main entrance ramp with a remote-controlled electric motor as well as preparation for chargers for electric vehicles, video surveillance and video intercom.

The buyer is exempt from paying real estate sales tax.

Completion of construction is scheduled for the spring of 2025.
