A beautiful stone house for renovation in a secluded area with a large yard and a view of the greenery in Oprtlje

For sale is a beautiful stone house for renovation in a secluded area with a large yard and a view of the greenery in Oprtlje.

The house has 105 m2 and it also has 4200 m2 of land, part of which is for construction.

It has an electricity connection, while water is located not far from the building.
The roof was renovated 13 years ago, and with a little effort and renovation, this stone house can really be turned into a rural idyll.

The house is an ideal opportunity for people who are looking for peace and want to be away from the city noise.
